

FSRH Hot Topic: Bridging the Gap: Addressing Sexual and Reproductive Healthcare Needs in Young People - Half-day, online event

FSRH Hot Topic Events are a series of half-day courses providing expert specialist clinical training and essential information.

Our upcoming FSRH Hot Topic is dedicated to 'Bridging the Gap: Understanding and Addressing SRH Needs in Young People'. The event will feature experts who will delve into critical SRH issues affecting young people. Join us for insightful discussions, innovative strategies, and a collaborative Q&A session aimed at identifying needs, breaking barriers, and creating actionable solutions. Together, health care professionals can pave the way for a healthier, more informed future for young people's sexual and reproductive health!

Date: Tuesday 27 February 2024

Time: 09:30 – 12:30

Venue: Delivered via Zoom

Registration: Doctors / GPs, nurses, midwives, pharmacists, physician associates – and other healthcare pros with an interest in SRH

Learning outcomes:

- Build confidence in prescribing contraception specifically for individuals under the age of 18.
- Recognise the importance of informed consent in the context of sexual and reproductive health consultation, emphasising on individual considerations.
- Discuss psychosexual challenges in young individuals.
- Consider diversity and inclusion when providing sexual and reproductive healthcare (to include sexuality, gender diversity, neurodiversity, ethnic background, ability).
