FSRH Position Statement: Personal, Social and Health Education (PSHE) and Sex and Relationships Education (SRE)

Our beliefs
FSRH believes that all children and young people have the right to high quality PSHE and SRE to help them make informed decisions about relationships and sexual behaviour as they grow up.

Our Vision
Our vision is a UK where comprehensive PSHE and SRE is delivered in all schools, regardless of how they are funded, which supports all individuals and protected characteristic groups.
