Registration number of FSRH approved regulatory body e.g. GMC, NMC, IMC, NMBI	

Primary Role (please tick one box)

Doctor	<input type="checkbox"/>
Nurse	<input type="checkbox"/>
Midwife	<input type="checkbox"/>
Other HCP (please specify below):	<input type="checkbox"/>

CONFIRMATION OF COMPETENCE

To be completed by Primary Trainer

Name of applicant: _____

Relevant certificates must be shown to the primary trainer at commencement of clinical attachment.

If the applicant's theoretical knowledge in IUT is subsequently deemed inadequate, practical training should be deferred until this has been satisfactorily addressed

I confirm that the applicant has met all the entry requirements set out in the Logbook, namely:

- Registered with a professional body
- FSRH Diploma/Member/Fellow or OTA/eKA pass
- Competent in speculum examination skills
- Competent in consultation skills
- Competent to give an intramuscular injection
- Up-to-date with Anaphylaxis and Basic Life Support Training
- Be up to date with Level 3 safeguarding children and young people
- Be up to date with Level 2 safeguarding adults
- Be familiar with current [FSRH Clinical Guideline: Intrauterine Contraception](#)
- Completion of eSRH Module 15 – Additional Training in Intrauterine Contraception (IUC) - within 3 months of starting clinical training.

I certify that in my opinion the applicant has successfully completed the following:

Either:

- Standard route
- Experienced practitioner route

Please tick

- FSRH Contraceptive Counselling Course (*for those that do not hold the DFSRH*)
- Model Uterus Training
- Assessment A – Contraceptive choices consultation
- Assessment B – Pre-insertion consultation
- Assessment C – IUC fitting competency checklist *
- Assessment D – Managing immediate complications
- Assessment E – Managing delayed complications

* (Standard Pathway: minimum 7 competent insertions; Experienced Pathway: minimum 2 competent insertions)

Please use the LoC IUT Logbook for the Assessment Documentation. The Logbook does not need to be submitted alongside the Application Form.

I recommend that the applicant be granted the Letter of Competence in Intrauterine Techniques (LoC IUT).

D. CONFIRMATION OF COMPETENCE

Name: _____

DISCLAIMER:

When completed and signed this form constitutes the application for the LoC IUT. It is not itself evidence that the LoC IUT has been awarded.

At completion of training the applicant should sign below.

I (the applicant) confirm that this document is a true and accurate reflection of my training and experience and:

Please tick

- I confirm that all the information in this form is correct
- I will complete the online evaluation of my training experience
- I understand that this certificate is subject to recertification every 5 years.
- I note that this LoC relates to existing devices. It is my responsibility to undertake the necessary training relating to any new devices introduced in the future.
- While the fact that a LoC has been issued is regarded as public domain data other information recorded on this form will not be disclosed without my permission.
- I have read the 6 principles of care as outlined in the "[Personal Beliefs Guidance for those undertaking or recertifying FSRH qualifications whose personal beliefs conflict with the provision of abortion or any method of contraception](#)" and agree to abide by them in my practice.

Signed: _____

Date: _____

Name (BLOCK CAPITALS): _____

On completion of training, the applicant will need to login to 'My FSRH' on the website (www.fsrh.org) to submit the completed training record along with an application fee (See website for fee details: [CLICK HERE](#)).

If you are not already a member, you can become Associate member in order to benefit from reduced fee for new LoC application. As an Associate member you can recertify your qualification free of charge every 5 years, if you have retained and paid for your annual Associate membership each year.

You can join to become an Associate member when completing your LoC application using the links above.

Please ensure both parts are completed in full. If any part of your application is not complete or it does not meet the required standard, your application is likely to be delayed.

Intellectual Property Rights

All intellectual property rights relating to the LoC IUT, and supplementary materials remain with FSRH. Users have no rights other than to access the resources for the purpose of the programme. No modification of any kind is to be attempted to be made to the resources. No part of the resources can be reproduced by any means or under any format. Liability for any losses suffered by the FSRH arising from any breach, or attempted breach, of its intellectual property rights is accepted by the party that infringes the IPR of the organisations. The names, images and logos identifying FSRH, and its programmes are proprietary marks of FSRH. To copy or use any logo or any other IPR, you must get prior approval from the FSRH using the [request form](#).
