

SRH Specialist Nurse Lead for Advanced Clinical Practice (ACP) Project

Title	FSRH Advanced Clinical Practitioner (ACP) Lead on the Joint Curriculum and Credentialling Committee
Reporting to	<p>FSRH Education & Training Team</p> <p>Workforce Development & Support Committee (WDSC) Chair</p> <p>This project is accountable to the FSRH Education Strategy Board</p>
About FSRH	<p>We are the Faculty of Sexual and Reproductive Healthcare (FSRH). We are the largest UK multidisciplinary membership organisation representing more than 15,000 doctors, nurses, midwives, and other healthcare professionals at the frontline of SRH.</p> <p>We believe that access to SRH is a fundamental right. We work together with our members and partners to shape better sexual and reproductive healthcare for all.</p> <p>Our vision is of high-quality sexual and reproductive health at every stage of our lives. Find out more on the FSRH website.</p> <p>The WDSC is a committee of the FSRH. Its role is to contribute to the development of SRH multidisciplinary workforce and to make sure it meets patient needs.</p>
Role overview	<p>The FSRH are calling for a senior SRH Specialist Nurse to represent the FSRH and help lead an exciting project to pilot the development and introduction of a new 'credential' for ACPs working in integrated sexual health and HIV services.</p> <p>The FSRH, the British Association for Sexual Health and HIV (BASHH) and the National HIV Nurses Association (NHIVA) have collaborated on a training curriculum that has been supported by HEE and endorsed by RCN and BHIVA.</p> <p>This Joint Curriculum and Credentialling Committee are now keen to progress our work to develop a clear assessment framework and to pilot the introduction of a sustainable credentialling programme.</p>
Terms of role	<p>This phase of the project is due to be start in the second part of 2021 and will continue through 2022.</p> <p>This role will require the attendance of monthly remote meetings alongside working on additional outputs and activities in between</p>

	<p>meetings. It is anticipated much of the work will be achieved virtually.</p> <p>The role also requires attendance of at least two WDSC meetings per year, and working with others in the committee to ensure the development and delivery of the work plan.</p>
<p>Role and responsibilities</p>	<ul style="list-style-type: none"> ▶ To continue the development of the ACP assessment framework, supplementary materials and required user guidance and training to implement the pilot and any lessons learned. ▶ To contribute to project team meetings and activities in between ▶ To communicate effectively with the project team and other stakeholders ▶ To respond to feedback from users and other stakeholders
<p>Eligibility criteria</p>	<ul style="list-style-type: none"> ▶ Senior SRH specialist nurse ▶ Must be a member of the FSRH
<p>Skills and experience required</p>	<p>ESSENTIAL</p> <ul style="list-style-type: none"> ▶ Familiarity with FSRH qualifications ▶ Experienced in delivering medical education <p>DESIRABLE</p> <ul style="list-style-type: none"> ▶ An understanding of current global health issues including the contribution of contraceptive services to the health of populations ▶ Experience of developing and delivering contraceptive education to a wide range of audiences. ▶ Awareness of FSRH roles and structure ▶ Experience of work as SRH Nurse or SRH clinical practitioner with an interest in training and assessment ▶ Is passionate about multi-disciplinary working and skill mix
<p>FSRH support</p>	<p>The role is given support by the FSRH Education and Training team alongside working with the project team. An experienced psychometrician will also be involved to support assessment design.</p> <p>Travel and subsistence expenses incurred on official duties is reimbursed according to the FSRH policies. There is no reimbursement for this role.</p>
